**June 2003**

**Volume 2/2003**

## Welcome to Our Readers

As we enter the second half of the year 2003 for this ministry, we want to Praise the Lord for His faithfulness and direction. Wonderful and exciting things are happening in this ministry, and as we approach our Lord's return, we are diligent in doing His work on earth.

## Project Update

Praise the Lord for the blessing the Lord has bestowed on this ministry. Our project load has expanded with new major projects.

Construction is 95% complete on the **Hudson Taylor Dormitory** at **Camp BIML** in Harrison, TN, under the direction of **Dr. Gerry Baughman**. Final items of closeout are all that remain for this project. We are looking forward to being at the Dedication Ceremony.

Camp BIML Lodge

Sunday, June 8, 2003 was the Dedication Service for **CBM Ministries "Camp Grace"** in Robeson County, NC. **Bobby and Karen Williams** are the missionaries for this wonderful youth project. The CAAA performed the preliminary Master Site Development for the Camp, and are continuing to provide architectural consulting to the design of the individual buildings. Two of the first five **Dormitories** have been completed and are now being used for the first time. In fact, within 15 minutes of the completion of the Dedication Services, boys and girls were "checking-in".

In addition, the **Pavilion** has been screened-in and will be the temporary Dining/Meeting Building for the next year. We have completed drawings for a new **Dining / Meeting Hall Building** that we pray will be completed before next years' camp.

Please pray for this needed youth ministry. For those of you looking for a youth camp for your church, this would be an excellent one to consider.

Over a year ago we designed a new **Entrance Building** for **People's Baptist Church**, Greenville, NC, under the leadership of **Dr. Max Barton**. Through faith this addition, along with other facilities have recently been completed. Now the Family Life Center/Gymnasium has a new entrance from the

rear parking area. Please pray for this growing ministry.

## New Projects

We have been developing plans for a **New Sanctuary and Educational / Life Center Complex** for the **Friendship Baptist Church** in Ballard, WV. **Pastor Joe Spencer** leads this growing church. We have completed the **Sanctuary** design and have recently submitted the **Educational / Life Center** drawing for review. Please pray for this church that is stepping out on faith to construct a 425 patron Sanctuary.

In Syracuse, NY, **Central Baptist Church**, under the leadership of **Pastor Milton Kornegay** has a need for an **Educational Wing**. We have completed the documentation of the fine Gothic style Church and have presented documents for the new addition. We are currently revising the documents for the congregation. Please pray for this church and for our ability to understand all the needs.

Late in May, I had the pleasure of meeting with **Dr. Ron Comfort**, President and Founder of **Ambassador Baptist College** in Lattimore, NC. This is a growing fundamental Baptist college that is expanding to fulfill the needs of their students. I will be developing a **Master Plan** for development and growth, along with recommendations for placement of new and revised structures on the campus. Please pray for this ministry and the outstanding staff that have a burden for developing fine men and women to work for the Lord.

## Membership

**We have a need for Architects, Engineers, and Architectural Drafters.** If you are, or if you know of someone that may be interested, please have them contact CAAA. **If any members that I have not spoken with have any additional time to work on some projects, please contact me.**

## Blessings

Thanks to **People's Baptist Church** for their double support to their missions programs this past month. This time of the year brings many expenses associated with architectural licensing, and their additional funds paid for one of the bills.

**Your prayers are so important to us. If your ministry is in need of our services or if you are led to financially support the ministry, please contact us.**
